Reports from the Board

President (Luke Akridge)

- Welcome everyone
- Each ASLO board member introduces themselves
 - Discuss position, goals, and what members can look forward to for the year

Vice President (Brooke Manhanna)

- The major events for this semester are looking different. Our signing santa event cannot happen in-person so we are currently exploring other options to host a similar event virtually. If you would like to help in brainstorming these ideas, please let me know. I can use all the help I can get. We are excited that we are still able to hold meetings and get to know each member! In a time of virtual classes and masks, this is a great place to get to know others in your same classes and same skill level.
- Interest in Fall clothing drive
 - Dates TBA

Educational Outreach (Courtney Hale)

- The outreach events for this year will be different, but still educational and reach as many people as we can. We have to be flexible!
 - Signing Santa (tentative)
 - Deaf Awareness Week
 - There will most likely be much more of an online presence due to social distancing. Think of ways to utilize your social media for the benefit of spreading information and awareness.
