Thinking About EHS Health Services
Janie Sailors, RN, BSN, NCSN

Day One
Opening Thoughts...
Whose Job is It?
EHS: Different Yet the Same
Thinking About the “ACT” and All Those Other Regulations...
Options Matter—Center-based vs. Home-based
Enrollment vs. Entry

Medical Health
Health Histories
Medical Home
EPSDT and Immunizations
Deadlines and Denials
Lead and Hemoglobin
Follow-up and Follow-through
Sources of Payment
Document, Document, Document
Confidentiality and Recordkeeping
Safety and Sanitation
Heading Outdoors

Day Two
Oral Health
No More “Baby” Teeth
Fluoride
Tooth brushing
Screenings and Exams
Documentation
Deadlines

Nutrition Matters
USDA: CACFP
Diet Histories
Special Diets
Role of RD/Nutritionist
Family Style Eating
Celebrations
Worry About Weight?

Mental Wellness
“Mental” vs. “Social-Emotional”
It’s All About Relationships
Role of Mental Health Professional
Observations and Referrals
Challenging Behaviors

**Services to Expectant Families**
Maternal Health Overview
Pregnancy HOT Topics
Regulations
Prenatal Care and Fetal Development
Oral Health Mandates
Pre and Postpartum Mental Health
Involving Dads
Transitioning
