

Reward Your Team with a Program Retreat

WHY HAVE A RETREAT?

- ❖ At a retreat, *staff actively participate* with each other, making everyone equal – learning and having fun together.
- ❖ A retreat always has a purpose, content, and process to *create an organizational community*.
- ❖ Individuals and groups are *recognized for their contributions* to the greater good of the agency.
- ❖ Most importantly, a retreat builds and supports *greater respect and trust* among all members.
- ❖ A retreat polishes and focuses the purpose of the work conducted every day. It is a *day of gratitude* for daily contributions.
- ❖ It is a *healthy and fun* way to spend time with co-workers on activities that promote the heart of our work!
