

Managing Comprehensive Health Services in Head Start and Early Head Start: Medical, Nutrition, Oral, and Mental Health

July 16 – 18, 2019

Hilton New Orleans Riverside
New Orleans, Louisiana

Health is the foundation of school readiness. Managing comprehensive health services in Head Start, Early Head Start, Migrant and Seasonal, American Indian/Alaska Native Head Start, and Child Care Partnerships is complex, conflicting, and ever-changing. It spans medical, nutritional, mental, and oral health, and serves those with differing abilities. Federal, state, local, tribal, and other regulations must be understood and followed – often regulations differ among themselves on the same topic. In addition, the role of Health & Nutrition Manager varies widely from program to program and is clearly impacted by the skill level, training, and partners who support the health arena. To top it all off, the Head Start Performance Standards, USDA regulations, and Head Start monitoring processes have all recently changed. **Managing Comprehensive Health Services in Head Start and Early Head Start: Medical, Nutrition, Oral and Mental Health** strives to provide content area staff overseeing these services (as well as their supervisors, colleagues, and partners) with accurate, consistent, credible, and realistic information and tools with which to deliver the mandated comprehensive health services. Since Health is Science-based and therefore always evolving, this event continually updates content based on the most up-to-date information available. New materials are added and no two iterations of this training are ever identical!

Participants in **Managing Comprehensive Health Services in Head Start and Early Head Start: Medical, Nutrition, Oral and Mental Health** refine their management skills, garner updated information, and gain insight into current medical health, mental health, nutritional sciences, and dental health practices for early childhood programs and the Head Start/Early Head Start/Migrant & Seasonal Head Start/American Indian, and Alaska Native/Child Care Partnership setting. They also learn to effectively monitor classrooms for health and safety and explore solutions to the tough issues facing programs today, such as the perfect PIR, short- and long-term exclusion, role of health and nutrition in school readiness goals, special diets, incomplete physical examinations, and inadequate numbers of providers willing to work with young children.

An intentional, teamwork and systems-based approach is stressed throughout this intensive institute, focusing on the management of medical health, nutritional, dental and oral health. The institute addresses the current health care system; recruitment, documentation, record keeping, health resources, and strategies for positively engaging families and children.

*The institute integrates **Hot Topics** in Head Start/Early Head Start/Migrant & Seasonal Head Start/American Indian & Alaskan Native/Child Care Partnership Head Start health and nutrition.*

The Standard Registration Fee is \$460 per person. Members of **T/TAS@Your Service** may qualify for the Subscriber Rate of \$415 per person. (Please visit www.ttas.org for information on how to become a subscriber.) For details on registering, including information on earning 1.75 Continuing Education Units (CEUs) for this event, please see page 3.

Learning Outcomes

- ★ Participants will better understand the roles of federal mandates such as the Revised Head Start Performance Standards, updated USDA regulations, state requirements, and the Office of Head Start's Early Learning Outcomes Framework in the provision of comprehensive health and nutrition services.
- ★ Participants will recognize the value of an integrated team-approach in delivering quality, sustainable health services.
- ★ Participants will identify required services and best practice concepts and explore strategies to address barriers and challenges affecting service delivery.
- ★ Participants will expand their knowledge of appropriate, credible resources and develop a network of associates for continued sharing.
- ★ Participants will be able to explain the essential role of comprehensive health and nutrition service delivery in positively impacting child outcomes and school readiness goals for children aged birth to five and their families.

Paula Mydlenski, MS, RDN, LDN, CDN, a nationally acclaimed speaker and writer, has worked for more than 35 years with Head Start and Early Head programs, including over ten years of working as a Head Start Lead Health Consultant for the U.S. Public Health Service. Paula is both Infant and Preschool CLASS-reliable, a CLASS Affiliate Trainer, a CDA Professional Development Specialist, an I Am Moving, I Am Learning (IMIL) Facilitator, and a certified Cavity-Free Kids trainer. She is also a registered and licensed dietician, Wested Program for Infant & Toddler Caregiver Modules I-IV certified trainer, and has certificates in Infant Mental Health, Partners for a Healthy Baby Prenatal Home Visiting curriculum, and Administering the Ages & Stages Social & Emotional Questionnaire.

Katrina Abadia, BSN, RN, Health Specialist, obtained her B.S. in Nursing from Florida International University and worked previously in Ambulatory Care before entering the world of Head Start. As a former Head Start/Early Head Start Health Coordinator in one of the largest school districts in the nation, she is able to understand the intricate challenges faced by programs operating within school systems. Drawing on her experience as a Health Coordinator and her background in nursing, Katrina provides health training that is engaging, fun, and infused with practical, real-world advice and rooted in current, evidence-based practices. Her motto of keeping it simple is transferred to her training.

Harry W. Bickel, DMD, MPH, Special Health Consultant to T/TAS, has a Doctorate in Dental Medicine and a Post-Doctoral Master's Degree in Public Health. Harry was a Head Start Dental Consultant for the U.S. Public Health Service for over 20 years, is a nationally recognized expert on the Head Start Dental Program, and served on the Office of Head Start's 2008 Panel of Experts.

Enrollment is Limited: T/TAS cannot guarantee enrollment at events. In the event that available enrollment slots fill, you will have the option of being placed on a waiting list in case space reopens due to cancellations. We recommend you do not make hotel or travel arrangements until you receive your registration confirmation. T/TAS is not liable for any hotel or travel penalties or fees that may be incurred by participants or registrants.

Confirmation of Registration: Registrations can only be confirmed by e-mail. Please provide a unique email address for the participant. If an administrator needs to receive a copy of the confirmation, please include administrative email address. If you do not receive a confirmation within five days of registering for the event, please contact the T/TAS office at ttas.register@wku.edu or call 800-882-7482.

Cancellations/Substitutions Policy: If you cancel your registration *in writing* 10 or more business days before the event, registration fees will be refunded, less a \$25 enrollment charge. No refunds will be made less than 10 business days prior to the event; however, you may designate a substitute to attend in your place. T/TAS reserves the right to cancel the event if enrollment criteria are not met or when conditions beyond our control prevail. In the event of cancellation, each registrant will be contacted. The liability of T/TAS is limited to the refund of registration fees only.

Continuing Education Units (CEUs): Western Kentucky University offers Continuing Education Units (CEUs) for participants successfully completing a T/TAS training seminar. To apply for CEUs, please complete the appropriate section of your registration form and include an additional fee of \$25 per person. Consult the event description to learn how many CEUs are offered for each event.

Photo/Video/Recording Policies: Recording this event with electronic devices is not permitted. Participants at this event may be photographed, videotaped and/or audiotaped. By registering for the event, authorization is given to being the subject of photographs, videotapes and/or audiotapes at the event, in connection with T/TAS' programs, publications, the Internet and public web sites. T/TAS and any employees, officers and associates, as well as any assignees, are released from any and all claims for damages for libel, slander, invasion of privacy, right of publicity, or any other claim based on use of the above-described material(s).

T/TAS Also Brings the Training to You

Did you know that T/TAS is also a leading provider of **on-site** professional development opportunities? Our knowledgeable experts deliver the same high-quality training and materials in your local program setting, reaching all of your staff at a cost competitive with the cost of sending just a few to a conference or seminar. Most of the events on our training schedule can be adapted for presentation to your local program or to a cluster of programs in your geographic area. T/TAS also specializes in adapting our training style and content to meet the specific needs of your program, staff, and colleagues. To learn more, to discuss your local training needs, or to schedule training, call **800-882-7482**.
