A Virtual Edition – August 30-31, 2022

- **August 29, 2022**
Independent Study
- **August 30-31, 2022**
Live Zoom Sessions: 10:00 AM – 4:00 PM CT each day
(11 AM - 5 PM ET | 9 AM - 3 PM MT | 8 AM - 2 PM PT)

What is the one thing that Head Start and Early Head Start staff **ALL** have in common? You guessed it, CHANGE. Programs have had to conduct business differently, to reimagine how to build relationships, and to re-evaluate the needs of our communities. There are some new Head Start staff that don't know their program pre-pandemic. Western Kentucky University Training and Technical Assistance Services (TTAS) understands the challenges encountered with these changes. **We are here for you** and are responsive to your needs. TTAS invites you to get back to the basics with **Finding the Keys to ERSEA - Virtual Edition**. Designed for staff new to ERSEA and for experienced staff seeking a refresher. This affordable virtual training covers the fundamentals of the ERSEA system in Head Start and Early Head Start programs.

Finding the Keys to ERSEA - Virtual Edition will be offered August 30-31, 2022 in 2 ½ hour time blocks in the morning and afternoon each day. It will focus on the key areas of Eligibility, Recruitment, Selection, Enrollment, and Attendance. Participating staff will better understand the interplay of the *Head Start for School Readiness Act of 2007* and *Head Start Program Performance Standards* in defining the requirements, directives, and best practices applicable in this service area. Discussions of each key area will focus on the questions that programs must consider in order to implement a program that meets the needs of their community, including: identifying the neediest of the needy, serving homeless families, enrolling families from 101 to 130 percent of the poverty guidelines, and monitoring attendance as a predictor of school readiness. This virtual edition incorporates strategies and considerations relevant to the changes necessitated by the impacts of COVID-19.

Finding the Keys to ERSEA Virtual Edition is essential to bolster knowledge and skills for Head Start and Early Head Start Managers, Coordinators, Directors, and Family Services staff new to their position or for experienced staff needing continuing education in the fundamentals. Governing Body and Policy Council members seeking a better understanding of an area over which they have primary oversight to support effective programming would also benefit. Finding the Keys to ERSEA is a **prerequisite for the WKU TTAS event "ERSEA: A Deeper Dive"**, designed to support experienced staff and leaders.

Training will be delivered using ZOOM or a similar platform, therefore you must have access to a computer with internet service, tablet, or smartphone. Participants will receive the *Finding the Keys to ERSEA* workbook that supports the training and includes relevant regulations and other useful resources. Enrollment is limited – register soon!

The Standard Registration Fee is \$550 per person. Members of **T/TAS @ Your Service** may qualify for the Subscriber Rate of \$515 per person. (Please visit www.ttas.org for information on how to become a subscriber.)
